CARL BARKS AND THE DISNEY DUCKS

NOW AVAILABLE:

The story of Scrooge McDuck on the road to wealth, the first in a series of limited-edition sculptures and a book that tells this story about

CARL BARKS

The Old Duck Man, now in his ninety-first year, is overseeing the production of fine porcelain sculptures commissioned by Disney and Another Rainbow and based on his most memorable and beloved paintings of the Disney duck family. The first is based on the painting **Always Another Rainbow**, which depicts Scrooge McDuck with a hard won sack of gold in his hand and gazing into the future that would see him become the world's richest duck.

Barks designed the sculpture through a series of meticulously prepared drawings. He then entrusted them to Connoisseur of Malvern, a British sculpting studio whose collections grace Buckingham Palace and the White House. Connoisseur's craftsmen then worked directly with Barks to bring his vision to life. Cast in fine bone china, hand-painted, and signed by the artist, this figurine, **Always Another Rainbow**, is a treasure Uncle Scrooge himself might dream of!

Each figurine is paired with a Barks' limited-edition lithograph of the painting that inspired it, signed and numbered to match. The sculpture is mounted on a hand-crafted cherrywood base, while the print comes housed in a matching cherrywood frame.

Another Rainbow is also producing **Carl Barks and the Disney Ducks**, a lavish 36-page book of high production value that chronicles the making of these exquisite figurines. Particular attention is paid to Carl Barks' sketches, designs, and his overall supervisory role in the production. Featuring full color and duo-tone photos, this book is designed as an informative adjunct to the figurines; however, it also stands alone as a showcase for this amazing new direction in Barks' legendary career, and is a must read for all of his fans.

Always Another Rainbow is strictly limited to 100 figurines. To learn more about this and the entire figurine project, you may send $1.00 for a giant 17"×11" four page full color brochure featuring a short history of the figurine project and Carl Barks' role in it, or $10.00 (postpaid) for **Carl Barks and the Disney Ducks**.
